London, 4/9. 912.
Thanks for your letter;
if you would not be with
bitter, and living with such
charming people, we would
regret your absence. -- We
are making our thanks;

the weather always bad;
cold and rain. - The 14th
will be at home, in Russia.

When settled at Your house

I shall remind my Cigar

Commission. - Would You

ask Mr. Felling to inquire

upon May Summer Schools

in Brighton or elsewhere on

the Seaside? The best, of course

and what fees for full Period?

My daughter wants to send here

her two sons between 9-14

years just to pass their vacation

time, 2-3 months. -

Heartly greetings, You mother

and to Mr. and Mrs. Felling.

L. Cress
